STEIR plans to submit plan to Hill on how \$
 spent thru Dec '08. Report: one
 of 3 things happen.

push us
 to conference base
 in '08 budget

1) nobody does anything stuck
 w/ 35M. til end

2) OMB needs to submit
 amendment '08 base or
~~supplemental~~ supplemental

3) Congress will do
 unilaterally on amendment.

Timing of '08
 sup. in fall. If
 pushed to mid-June
 of cash flow

[Scenario based on Legislation]

OMB

1. Current 20+5 for FY 08

2. Need to submit FY09

full year - remainder
transfer to DAS-06

3. Scenario based on
legislation

no need to ramp down -
off ramp money goes to
DAS-06

rather LOE-level of effort.
